## Preface

**T**HIS edition of the **Blue Book** possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the **Blue Book** as nearly perfect as it is possible to make such a volume.

We do not claim the **Blue Book** is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about twenty thousand names of the most prominent householders of New Jersey, published in the most convenient form for reference by our lady patrons.

The title, "**Blue Book**," is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of **Blue Book** is as follows: "**Blue Book**—a book containing a list of fashionable addresses."

Please send any information you may have that will aid in keeping the records correct, to Dau Publishing Co., 40 West 33rd Street, New York City.

## There are All Sorts of Diamonds at All Sorts of Prices

☞ But how are you going to be certain about the diamond you select unless you go to a reliable dealer?

☞ When you buy a diamond here you can depend that it will be just as we represent it, no matter what you pay.

☞ The price will be as low as is possible for the quality represented.

☞ Two very important features. Don't you think so?

EAST ORANGE, N. J., SATURDAY, MARCH 12, 1910.

Price 2 Cents.

TO-DAY'S CELEBRATION.	REDUCED WATER RATES.	ADDITION TO CALVARY CHURCH.	REASONS FOR SON'S DEATH.	BOARD OF TRADE.	DISTRICT COURT COSTLY.
Fiftieth Anniversary of Adoption of Orange City Charter. A number of the business houses and private dwellings along Main street and the Parkway are decorated with flags and bunting in honor of the celebration to be held to-day in Orange to mark the fiftieth anniversary of the adoption of the charter of the city.	Changes Will Mean a Reduction of Firewater Per Cent. A new schedule of water rates to go into effect on May 1st has been adopted by the Water Commission and is printed in full in the advertising columns of this paper. The change proposed will mean a reduction of about fourteen per cent. in the charge for water in the city.	Plans Accepted for Improvements That Will Cost \$50,000. Plans for an addition 25 by 75 feet to Calvary Church, Main and North Walnut streets, have been accepted and accepted by the official board, and estimates will now be secured on the work. It is figured that it will cost about \$25,000. Alterations and repairs to the church will also be made.	George O. Lewis' Negligent Action Against Illinois Lighting Company. Attorneys for George O. Lewis, of this city, have started suit for \$25,000 damages for the death of his son, Parkman Lewis, a Cornell student, who was killed by a live wire in Ithaca, N. Y., against the Illinois Electric Light and Power Company, through the negligence of the electric company in its neglect to place a guard wire in the street near A. Lewis' residence.	Several Matters of Interest Discussed at Regular Meeting for March. Important questions were taken up at a meeting of the Board of Trade, Monday night, among them the widening and paving of Main street, from the Newark city line to the Orange city line, the building code, and the electric company in its neglect to place a guard wire in the street near A. Lewis' residence.	Consent Opposes Legislative Bill Concerning Salaries. A committee of the city councilmen, including Joseph Lee, John Leonard Merrill and George A. Sawyer, appeared before the Judiciary committee at Trenton, Monday, and did what to show the legislators that they should not be done in the same way.

DOGS AND CATS BOARDED

*15 Railroad Place East Orange, N. J.*

SOLVING THE PROBLEM

She was desperately gone on them both,  
And couldn't think which one to choose;  
'Twas rather perplexing, no doubt—  
For one she was bound to refuse.

She gazed at them both in despair,  
Quite puzzled to know what to do;  
As soon as she thought about one  
She cared for the other one, too.

They still remained under her gaze,  
Not knowing the trouble they'd brought;  
It really was hard to decide,  
They both were so charming, she thought.

She couldn't say which one she'd have,  
Or how to decide with success;  
It's really exceedingly hard  
Selecting an up-to-date dress.

“If it wasn't so far, I'd like to go”  
—so busy people are wont to say

Distant friends become your next door neighbors if you drive a new Rambler. Then no country road is long enough. For no sooner do you grasp the wheel and sense the motor purring than you shake off all dulness—the car starts beneath you and you are away—to work or to pastime—it differs not—exhilarated, you hasten on your way.

With offset crank-shaft, straight-line drive, big wheels and tires, long wheel-base, Spare Wheel and aluminum front floor, the new Rambler is in many respects superior to any other automobile.

Rambler automobiles \$1,800 to \$2,500

# RIDGEWOOD, N. J.

---

**A PICTURESQUE**, conservatively progressive, incorporated Village of about Six Thousand Inhabitants, in Bergen County, 22 miles out, on the direct line of The Erie's Greatest and Most Immediate Improvements.

**NOT A FACTORY**, or manufacturing establishment within its limits; but developing steadily *Under Strictly Local* Enterprise, at the average rate of One Hundred Handsome Residences a year.

**HEALTHFUL**, Traditionally and in reality, being naturally free from deleterious conditions, and kept so by an abundant wholesome public water supply, adequate drainage, and Ramapo Mountain air.

**FIVE NEW PUBLIC SCHOOLS**, a varied choice in Churches, New Y. M. C. A. Building, and an enthusiastic Golf Club in its 19th year, with spacious grounds in the very centre of the Village. In short,

**A TYPICAL, HIGH-GRADE JERSEY SUB-URB**, except (the fact is worth noting) in being practically **Free from Mosquitoes**.

# UPPER RIDGEWOOD

Newest, Highest, and for New York Business Men One of the Most Accessible Sections of the

## BEST LIKED OF ALL NEW JERSEY SUBURBS

Although an important part of the village of Ridgewood, and sharing in all its many exceptional advantages as a place of residence, Upper Ridgewood is quickest reached from the new \$10,000 station called Hohokus,

“TWIXT CLIFF AND GLEN,” easily the most picturesque of all the stopping-places in the Erie suburban territory.

Upper Ridgewood is undergoing development at the hands of the same management that has made such a success of Kathawood Park, in another section of Ridgewood, and its future as a residential neighborhood for strictly desirable people is equally well assured.

Choice of 300 plots within 5 to 15 minutes of the Hohokus station.

Superb views limited only by the Palisades and sky-line of New York.

All civic improvements including public water supply of unimpeachable purity and abundance.

All social, educational and religious privileges common to the rest of the village.
